THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Woodstock, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Woodstock on Tuesday, the eleventh day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will authorize the Selectmen to hire such sums of money as may be necessary to defray expenses in anticipation of taxes.

4. To see what discount will be allowed on taxes paid on or before the first of September or a later date to be set by the Selectmen and if the sum of twenty cents shall be added to each poll tax not paid on or before September 15th.

5. To see if the Town will vote to accept the budget as posted.

6. To see if the Town will vote to allow the Selectmen to sell Property taken on tax titles.

7. To transact any other business that may legally come before this meeting.

NORMAN FADDEN,

MOOSILAUKE LIBRARY REPORT

It gives me great pleasure to make the annual report of the Library. The number of patrons who made use of the library was 3,077 and the number of books and magazines taken out was 6,505.

We would like to thank Mrs. Norman Fadden for her gift of New Hampshire Profiles magazines.

We would like to thank Mr. and Mrs. George La-deau, Mrs. Fred Brooks and Mrs. Alfred Lessard for books given to the library.

Seven books have been added to the Memorial Book Shelf: "Stay Alive All Your Life," given by Mrs. Oscar Carter in memory of Mrs. Herbert Sanborn; "The Nun's Story," given by Mrs. Bertha Day and Mrs. E. J. Anderson in memory of Mrs. Clara A. Sawyer; "The Twelve," given by Mrs. Rachel Fulton in memory of Mrs. Effie Smith; "A Heap O' Livin' Along Life's Highway," given by Mrs. Mary Cox in memory of Mr. and Mrs. James Burney; "The Desire of Ages," given by Mrs. Mary Cox in memory of Irving E. and Parker J. Cox; "The Story of the Old White Church," given by Mrs. Preston Martin of Plymouth, in memory of Mrs. Myrtie Keniston; and "Autumn Across America," given by Raymond B. Sawyer in memory of Mrs. Alice M. Sawyer. To all these people we send our thanks.

Again we would like to thank the Quest Club for a 3-year subscription to Boys' Life and a 1-year subscription to Outdoor Life, Plaque for Memorial Shelf and new curtains for the windows, which have added much to the appearance of the library.

Two Salk Polio Vaccine clinics were held during the year 1957. Those in the age group 6 months up to 20 years old were eligible to attend these clinics. The total attendance was 597.

A Dental Clinic was conducted for the 3 year up to 6 year olds. At these clinics a Dental Hygienist cleans the teeth, then applies four applications of Fluorine. Thirty-two children attended this clinic, each one accompanied by his or her mother. The Hygienist stressed to each mother the importance of Dental care. These clinics are made possible through the Bureau of Dental Health Service, State Department of Health.

A spring clinic was held for preschool vaccinations and Triple Toxoid Booster shots.

Seventy-five visits were made to the school. Nurse's examinations of 136 pupils consisted of Vision tests, checking of throats, teeth, weights and heights.

The pupils of grades 1-6 inclusive attended a Dental Clinic held at the school. A Dental Hygienist cleaned their teeth and applied four applications of Fluorine. The Hygienist tried to impress on these pupils the importance of good Dental care.

The Tuberculin Patch Test, namely a test which helps greatly in the early detection of Tuberculosis, was given to 96 pupils. Those pupils having a positive reaction were taken for a chest x-ray. There were no symptoms of any trouble among this group of pupils.

The Woodstock girls and boys attending Lincoln High School, if taking part in any sports, were given a physical examination by Dr. William Seales.

Respectfully submitted,

REPORT OF FOREST FIRE WARDEN

The cost of forest fire suppression was the highest in many years but does show what a big fire could cost. We had three small fires — all man-caused fires. One burned over a little more than an acre while the other two did not burn over too much, but did add to the town cost. No one should burn at any time **UNLESS THERE IS SNOW ON THE GROUND** without first getting a Forest Fire Permit from the **FOREST FIRE WARDEN**. We have a Town Dump that is for care of Rubbish, but it is not for **EVERY ONE TO TAKE RUBBISH AND BURN IT THERE** but to leave it and the **CARETAKER** to see it is burned. Many are setting fires at the **DUMP** when they have no right. If a **FIRE** does get going from one of the fires it will cost the **TOWN** many hundreds of Dollars. **PLAY SAFE** and keep our town **GREEN**.

FRED S. BROWN,
Forest Fire Warden

FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 per cent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort — The rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn YOUR property.

REMEMBER FOREST FIRE PREVENTION IS
EVERYBODY'S BUSINESS and our MOST
IMPORTANT UNDERTAKING

ROY ANDREWS,
MALCOLM DOWNING,

Vote in the affirmative.

Art. 14 Discussion concerning opening the school for outside activities came up under this article. No motion was made.

Meeting adjourned.

MILDRED G. BASTON,
District Clerk

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Woodstock qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the Eleventh day of March, 1958, at 10:30 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the school district will furnish transportation to Lincoln High School and to raise money for the same.

10. To see if the district will raise \$300.00 for lease of the baseball field.

11. To see how much the district will raise for band music instruction.

12. To see if the district will raise money for a skating rink on the school grounds.

13. To see if the district desires to take any action regarding disposition of the lower Woodstock school building.

14. To see if the school district will vote to employ a helping teacher as part of Supervisory Union No. 48 and to raise and appropriate a sum not to exceed \$400.00 for Woodstock's share.

15. To transact any other business to come before this meeting.

Given under our hands at said Woodstock this 12th day of February, 1958.

ARTHUR SELBY,
School Board Chairman

M. WAYNE BOWIE, Supt. of Schools

February 3, 1958

REPORT OF PRINCIPAL

Superintendent M. Wayne Bowie
Plymouth, New Hampshire

Dear Mr. Bowie:

I hereby submit my fifth report as Principal of the Woodstock School.

The 1957-58 school year began on September 4, with an enrollment of 144 pupils. An unusually large number of residents changed locations in the first half of the year, causing a net loss of eleven in our enrollment, as of January 24, 1958. At present, we have 69 boys and 64 girls, a total of 133 pupils.

We have two new teachers who have been with us from the opening of School. Mrs. Rosamund Orr has replaced Mrs. Zampieri in Grade 5, and Miss Helen Andersen has replaced Mrs. Uhlman in Grade 3. Near the Christmas vacation, Mr. Theodore Marston was released to accept a position with the State. We were most fortunate in securing Mr. Arthur Dean to replace him. Mr. Dean is a graduate of Plymouth Teachers College.

Some notable improvements have been made during the past year. Our major heating troubles seem to have been overcome, although aged and faulty radiation units still result in a loss of efficiency.

Our Safety Patrol continues to function reasonably well, and maintains an accident-free record.

We have established a "Cadet Corps" of older boys and girls to help expand the program of Physical Education. The idea seems to be developing quite successfully. It is unfortunate for our children that we still have no indoor recreation area large enough to conduct a Physical Education Program throughout the school year. Our Winter efforts have to be confined to outdoor sports. We actually have 4 major Winter Sports events during the season, and have a Junior Ski Team, which competes with surrounding schools. In spite of these things, it seems to me that the town

must face an inescapable fact: without an indoor area, it is impossible to have a well-balanced Physical Education program . . . which our young people need. We are short-changing every one of our boys and girls, who have a right to develop physical dexterity, as well as reading skills.

One of the chronic problems of the previous year seems to have almost completely disappeared. I would like to thank Mr. LaPointe, and all pet owners, who have cooperated, to the point where we now rarely have a dog bothering children on the playgrounds.

New and up-to-date Textbooks have been very welcome, and we will need more in the near future.

We are again indebted to the Baptist Church, which has graciously made it possible for us to have a place to hold our graduation ceremonies.

I would also like to express my thanks to those parents who have been so willing to give time and effort to the Transportation of our Ski Club members to and from Cannon Mountain, and to the Tramway officials who have made it possible for some of our boys and girls to enjoy use of the slopes and tows free of charge on Thursday afternoons.

Still more can be done to improve our facilities. The school basement and the outside of the building should be painted. The basement is very much in need. Most of the classroom desks which we have are quite old, and many need repair and refinishing. Many of them present a most unattractive and demoralizing appearance.

Fire Extinguishers in the building should be checked and refilled. We do not yet have safety railings on the stairways to the basement level.

Our present outside bell is very inadequate, and should be replaced as soon as possible by a better system.

The flood waters of this past fall have raised havoc with the school yard, and the picnic area. Much of the conservation work done by the pupils in the

last four years literally went "down the river." Restoration of the area will be a challenge to conservation-minded pupils.

I would like to take this opportunity to thank you and the members of the School Board, for your continuous efforts to further improve our educational program. Also a sincere "thank you" to Mr. Corbeil, who has managed to maintain a much-enjoyed skating rink, in spite of the vagaries of this Winter's weather . . . and also to the men of the Cooke-Ross Construction Company, who generously aided in filling in the once-useless area beside the school. We hope to establish badminton and volleyball courts in that area.

Before closing, might I say, once more, that teachers are here to help our children to learn. This function cannot be carried out if children are not in school. Parental concern about a child who is not feeling well is very readily understood: and I have said previously that a boy or girl who is ill **ought to be home** . . . but parents should always remember that to encourage, or even allow, a child to miss a session of school without valid reason . . . is to deprive that child of a share of the instruction and work that is rightfully the due of each youngster.

Included here are the Roll of Graduates from the Junior High School, June, 1957; and also the Roll of Perfect Attendance for the 1956-57 school year.

SUPERINTENDENT'S ANNUAL REPORT TO THE WOODSTOCK BOARD

Hereby submitted is my annual report as your superintendent of schools:

Your principal has presented such a fine report this year and it is so inclusive that I feel there is very little to add.

I know that some of you have been concerned with the progress of pupils but I urge you not to worry. In my supervisory work all the aspects of these situations are checked carefully and I am convinced that in all cases we are doing what is best for the pupils. In a total picture of education, best results are usually obtained when children get and maintain grade level as early as possible in their school careers. Upper grade boys and girls occasionally reach that stage and can still benefit from retardation but other factors being equal, the younger they are when this occurs, the more successful it is.

I realize that next year may perhaps not be the time because of an already increased budget, but you should another year seriously consider painting the outside of your school. Also some thought should be given to the disposition of your building in lower Woodstock. I cannot see in the future where it will be used for school purposes and to continue to pay for insurance and upkeep would seem to be an unnecessary expenditure.

Undoubtedly you are interested in the article in your school warrant regarding a Helping Teacher. Several years ago the New Hampshire Legislature made it legal for some New Hampshire school districts to secure the services of a specially trained successful teacher to work with other teachers and children to make school systems more efficient. It was agreed that if such an individual of whom the school districts approved were employed, the state would pay \$2,500 toward the salary of this person. The remainder

of the salary would be prorated among the several towns in the supervisory union on the same basis as other union expenses. Supervisory Union No. 48 has now become eligible for this service if it is desired. The law relating to this matter states that certain designated unions may employ a Helping Teacher so-called in accordance with Chapter 186, Section 24 of the New Hampshire School Laws when the majority of districts in said union vote for it in their annual meeting and towns so voting include at least 85% of the pupils in said union. If this article is voted in the affirmative, it merely gives the Supervisory Union Board power to act and money to act with if they desire and the district approves. The definition of a Helping Teacher follows: Helping Teacher, as referred to in paragraph XXIII, is defined as a teacher with specific training and experience which will enable her, or him, to give helpful advice, counsel, and assistance to teachers, pupils, and parents of a school system as a constructive means of improving the educational growth and development of children, solving pupil problems of retardation and maladjustment, adopting the program of studies to meet the needs of the children and the community, bringing resources outside of the school to classroom teachers, pupils, parents and community, and in general acting as consultant to the entire staff and community in recognition of the educational needs.

I wish to take this opportunity to thank the school board and teachers for their cooperation during the past year.

Please feel free to contact me if I can help you with any matters concerning education.

Respectfully submitted,

M. WAYNE BOWIE,
Superintendent

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent as per the following quotation:

“REPORTS. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union.”

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1956-1957 received a salary of \$6,150 which was made up as follows: \$2,500 paid from the per capita tax and \$3,650 prorated among the several school districts. Allowance of \$900 for travel within the union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 685.84	\$ 169.11
Dorchester	52.19	12.87
Plymouth	1,267.28	312.84
Rumney	525.24	129.51
Thornton	287.62	70.92
Wentworth	170.09	41.94
Woodstock	661.74	163.17
Totals	\$ 3,650.00	\$ 900.00

Superintendent's salary for 1956-57 based on the above figure is reconciled as follows: \$3,650 paid by the various districts, plus \$2,500 received from State per capita tax, equals \$6,150 superintendent's basic salary. This, plus \$900 travel allowance as indicated above totals \$7,050 — amount received from State Treasurer for salary and travel of the Superintendent of Schools.

Superintendent of Schools
